

Creative ways to support St. Philip Lutheran School

Office Depot: Use our school ID number and earn a 5% credit for SPLS! We receive 5% back from every dollar spend on qualifying supplies. Simply give them our ID # when making purchases or tell them the name of our school and request that SPLS receives credit.

Our school ID# is: 70007485

Scrip Program: Purchase scrip (gift cards) from the school office for many local and national vendors. This is a “dollar for dollar” investment and SPLS gets a percentage from the vendor that we purchase scrip from. Each organization pays 2% - 18% for each gift card we sell. Ask the office for a list of vendors that we have on hand or for details regarding this program.

Box Tops for Education: These labels are located on many food items (cereal boxes, pancake mixes, frozen foods, Ziploc etc.) and on boxes of address labels. It’s amazing how many products have “Box Tops for Education” on them! Simply cut out the emblem saying “**Box Tops for Education**” (**each is valued at 10 cents**) and send them to school with your child or bring them to the school office. This is a very creative way to earn **FREE** money for SPLS so why not ask Grandma, Auntie, and neighbors to save them for us too! Remember the saying “a penny saved is a penny earned”...well, how about saying “*a box top saved is 10 cents for my child’s school*”?

Target: Simply designate St. Philip Lutheran School (**our school ID # is 1500**) and we will receive a percentage of all of the purchases made when using your Target visa (a.k.a. Target “red” card). To find out more about this program visit **Target.com/tcoe** or call **1-800-316-6142**.

Corporate Matching Funds: Many employers will match donations given to a non-profit organization. Ask your employer if they have this kind of program. (**PG &E, AT&T, Well’s Fargo, etc. usually have these programs**)

ESCRIP: Connect your Safeway card and other companies to SPLS! Go to escrip.com for more information.

Dining for Dollars: These events will be held frequently throughout the school year and are a fun time for all. Invite your extended family and neighbors to join us for a night out! Local restaurants contribute up to 20% of your dinner purchases to SPLS. When we hold these events at restaurants that we sell SCRIP for (Chevy’s, Applebee’s, etc.) be sure to purchase your scrip before you attend the event...that way we are really stretching our dollars and SPLS benefits even more!
